On Thursday the 10th I was invited as a friend for tea in Parker with Abbee. It was good to catch up with Abbee and I spoke with Parker girls, it was good fun. By Laken

Room 7 and 1 went to Whenua Iti to continue where we had left off so we did the high ropes. It was scary for some people. Then we played some games until the end. We were put into two different groups to do activities. Then it was time to go back to school.
