

# Room 6

Salisbury School

21st June 2010

Last weekend some people went to Riverside and some people stayed back in the cottage and watched a movie in the lounge. Some people went to the rec room to do some games and some people played on the computer. Some girls went out to play a game called skipping and it was fun playing skipping outside. Then it was time to go and have tea in the dining room and then it was time for the rest to have a shower and some people had their shower. We watched the news when the others were having a shower. It was time to have supper and put on our pyjamas on so we went and brushed our teeth and went back and it was 8:00 - time to go to bed.

## Class Awards

**Week 8: Minnie-Rei**

**Week 9: Adriana Unga**

I GOT A CERTIFICATE AT ASSEMBLY.  
I GOT IT FOR FINDING INSECTS IN THE  
NATIVE GARDEN.

BY MINNIE-REI

Maggie and Sarah did their targets on Sunday. They had to chose two reliable friends to go to the movies. They chose me and Savannah. We went to see Shrek 4 . The movie was about how Shrek had to sign a contract. Then it all changed when he signed it. He finds himself in a cage and his best friend Donkey was taking him to a castle and while he was going Donkey was singing songs for the witches. Then donkey and Shrek found his wife. At the end Shrek got to back with his wife, kids and friends. Then we walked back to river side.

By Emma

Last week we went to our special garden at Salisbury School. I caught three Mushrooms and two flowers. We used a Microscope to make the stuff bigger. It was a electronic microscope. I found a big Mushroom. Mr Haynes found a dried up Fish skin. Mr Haynes said, "How did that get there?", "I don't know", I said. "Well it might have got washed up or a bird could've caught the dried up Fish skin and it must've dropped it on the grass by the gardens." Then when we finished catching insects and other things we went in the Whare Hui to make the stuff bigger. Some people caught a slimy worm. We had to use describing words. Like slimy, scaly, dotty, spiky, hard and soft.
