

Te Whanau O Salisbury Kapahaka Group

Nau mai, Haere mai ki te Kura o Salisbury

Term 1 was a very busy term. At the end of 2009 we farewelled six members of our Senior Kapahaka group. The girls pictured below were an amazing group of young ladies who matured and grew so much socially, their mana and leadership qualities developed through their involvement in the Kapahaka group.

Pictured below: Staara-Lee, Te Rongopai, Tanya-Lee, Pamela, Tiana and Lynda

Last term we celebrated at school the opening of the new Eco. Hut which is based in the native garden area of Salisbury School. We have our first public outing this year to the Whakatu RDA (Riding for the Disabled) Opening. The girls absolutely love wearing their Kapahaka uniforms they wear them with pride and will represent us well.

Te Whanau O

Salisbury

May 2010

In term 1 two groups of Kapahaka have been operating at school. The senior numbers have swelled to 20. It was great to have new girls integrating into this core group. They have quickly picked up our Waiata. We also have an open Kapahaka group which anyone can belong to. These numbers have also swelled to 40. Both groups have performed to the assembly at school. We also have begun a Pacific Island Group at school, and have included a picture of last years group which started in Term 4 2009
