I was surprised to find them...There were new things there than last year.  
I became aware of...Trying new things.  
I was pleased to note that...Everyone enjoyed Whenua iti.  
I want to learn more about...Whenua iti.  
I hope that...We go back soon to Whenua iti.

My DARE Poem  
I wonder about being a ghost.  
I hear a little girl saying its going be all right.  
I see love birds singing in the trees  
I want to be a bird.  
I am caring , bubbly and happy.

I pretend to be a little kid.  
I feel good being at Salisbury.  
I worry I'm growing up too fast.  
I cry when someone is dead.  
I am caring , bubbly and happy.

I understand someone is sad and I can help them out.  
I say horses are free in the world.  
I dream about horses running free.  
I try to help everyone out.  
I hope to help create world peace.

Hi my name is Olya and I am going to tell to you about my work. I work at Stoke Bakery. I get to make biscuits for the customers and the little children I love work in the bakery.

For lunch I get to have pie and something sweet. It is so cool to go to work .

The skills I am learning are to use initiative ,dress appropriately, be able to follow instructions and to work unsupervised.

For my future I would like to work in a bakery or do a proper hairdressing course.
