Today the Student Leaders went to a course at Polytech. It was about social work . We had lots of fun and we learnt lots. We learnt about different disabilities and about health, behaviour, and helping others with family issues We had to do an activity called the "Sixteen year old game" for working as a social work. They get paid about 4,000 a year.

Whenua Iti

Rooms 1 and 7 went to Whenua Iti to do activities. on low ropes . For Stop Wait we formed a circle and told Dougal and Anita our names. Then we split in to groups. On Tuesday we all did different activities. One group went on high ropes and also on the Trapeze. That was fun pace.
