## CLASS AWARDS Stephanie and Ashleigh

Every Monday I go to Natureland in Tahunanui for work experience. Gail has to feed the baby monkey CJ because he got neglected by his teenage mother monkey! I sometimes clean out the rabbit cages. The cute baby rabbits are still there. Natureland is selling chickens, cockatiels, and mice as well as rabbits. I really enjoy my day at Natureland.

Hi there, I am Stephanie . I go to Waimea College for art. It's very different from Salisbury's art . At Waimea it's much bigger than our school . We learn lots of skills . This term we are going to do Graffiti . It's very hard but I do try! I'm going to try to get NCEA credits this year . I am facing more challenges and learning to cope in a mature way.

By Stephanie

Hello

As you know I go to Waimea College across the road. I do Year 12 English NCEA. Sam comes with me as well to do English. We are reading a book called LORD OF THE FLIES.
