Fun In Te Ara Hou

On Wednesday morning I woke up at 7:00 in the morning. Then I got up and went to Nicole's room and stayed in there. She said "I am going to someone's room now" and I knew that she was going to my room so I ran to my room.

Then Steph came in and jumped on me and Nicole and she squashed us.

We ended up in a squashed sandwich. Wonita then came in and said "I can't open the door!"

We had some problem solving to do!

Eco hut

The whole school gathered all together as one and had the opening. And the blessing of the eco hut we had an morning tea with guests, staff and students. It was a great celebration for Salisbury School.
