On the 10th August 19 girls and I went down to Arthur's Pass for the week. We did all kinds of walks. I like river crossing the most. It was a fun week in Arthur's Pass.

I went to Arthur's Pass Camp as well. I really loved it on camp. I was one of the leaders on camp. It was a big responsibility for the leaders. We all went on a hike and did orienteering. We all slept in bunk rooms on camp.

Hi my name is Tanya- Lee. I went to Arthur's Pass. It was cool because we stayed at a house with 20 other girls. It gets loud at times but we got told to settle down. If we didn't we would get sent to our rooms that we slept in.

Hello  
My name is Nicole.  
I go to Waimea College for English class. Mr Barr is my teacher. It is fun because I had done a speech about Baby Tracey that we look after here at Salisbury school.  
I earned three credits and I felt happy.  
My first three credits!
