Last week we had a Wananga Week where everybody took part in it. I was not there on Monday because I had work. We were making things like these

- harakeke (flax)**
- poi**
- Kites/stars**
- Putahi**

**My best thing to make was the poi and I made two. It was fun to make. The other thing I liked was harakeke (flax) which was made into flowers. We listened to Whare Atea Stories and Maori legends.

In Week 7 all of the school took part in Wananga Week . I did not do it on Monday because I was at Work Experience. On Wednesday we learnt Maori Traditional games .The things I liked making were the kites, stars ,pois and putahi .On Thursday at lunch time we had a big feast. It was a very good week .

By Natasha van Der Klip

We had a wonderful Christmas dinner this week.
