## Background

The Chief Review Officer has the authority to carry out reviews (which may be general or in relation to particular matters) of the provision of a safe physical and emotional environment that supports learning for students accommodated in hostels under section 470 of the Education and Training Act 2020. This function is delegated to review officers who have the powers to enter and carry out review of hostels under section 472 of the Act.

## Findings

The hostel manager and the hostel owner has attested in the Hostel Assurance Statement that they meet the requirements of the Hostel Regulations 2005.

Boarders are effectively provided with high levels of care and support that contributes to their sense of belonging and wellbeing.

Relationships between boarders and staff are highly respectful and nurturing. Effective practices encourage boarders to develop independence and appropriate life skills to enable them to transition back to their homes and schools. They are provided with a wide range of learning opportunities within and beyond the hostel environment. Careful consideration is given to ensure that boarders are given many opportunities to challenge themselves within a safe environment.
